

News Letter

Vol. 1 No. 3 July 2006 Jul - Sep

On the 25th of May 2006 Paul Issacs, Jerry Haines and myself met at the Hope Hotel at Wright-Patterson AFB, Ohio. Several things were discussed.

It was decided that the deadline for registration for the reunion would be extended until the 15th of July. That will give us time to compile the number of attendees and give a figure to the caterers for the cookout and the banquet.

It was also decided that the newsletter would be published bi-annually. January and July. There really isn't enough subject matter to publish on a quarterly basis. It was also decided to try sending it by e-mail to those who have e-mail addresses. Those who do not have e-mail addresses will still receive the newsletter by US Mail. This will cut down on the cost of publishing the newsletter. Anyone who does not receive the e-mail version, please e-mail me at shaky52601@aol.com

REUNION

The hotel does not have a liquor license. Therefore, those of you who prefer the hard stuff will have to bring their own bottle for the hospitality room. We will furnish the beer, soft drinks and condiments. Sorry for the inconvenience. The same is for the cookout and the banquet. As I understand it, you will be able to take your drinks from the hospitality room the banquet room, as there will be no stand-up bar.

Following is the agenda for the reunion:

President: Paul Isaacs

Vice President: Bruce Langerlan

Secretary: Shaky Bristol

Treasurer: Ralph Fischer

Chaplain: Vacant
