July 2013

Notes from the President:

I just talked to Linda and she has bought just about all the gifts for the reunion and I think the winners are going to be happy and really enjoy them. I have talked to Larry Morrison and he said that the bench is coming along fine and it should be ready for the dedication during the reunion. If anyone has any ideas for the reunion, please notify me and we will try to accommodate all desires. Because of the budget cuts, there has been a few changes at the museum but we are still working on the scheduling. I am looking forward to seeing you all at the Hope hotel in Sept.

The Reunion will be held on Sept. 17-22 see last page for Registration.

Please mail to:

LADIES !! LADIES !! LADIES !!

Ladies it is time to start preparing for the next the 463rd reunion and I am looking for some suggestions for future reunions for the ladies to do while the men are reminiscing about the good old days.

I was in Wright-Patterson a few weeks ago and met with Jerry Haines and the lady from the Chamber of Commerce there. This was a suggestion from her that we take a bus trip to Yellow Springs which is a shopping area. There are jewelry stores, clothing, shoes and much more. From there we could stay there for lunch or go the Clifton Mill another wonderful place.

What I am looking for is to get a count of who would like to go on a bus trip for a few hours away from the hotel. Please e-mail me at Kirkpatrick_linda@comcast.net or call me at 765-689-0736 and let me know, if I get no response we will probably have just a luncheon at the hotel.

Also there will be gifts at the banquet again this year. Tickets will be given at sign-in.

There will be a Vera Bradley purse for the ladies. There will be a separate ticket for this. Sandy and I will have tickets to give to the ladies. I will also have another quilt to raffle and we are planning on having some large baskets to raffle. Any questions can be directed to me via e-mail or phone. Some of the proceeds will go towards gifts for next year the rest will go to the unit. I am hoping to get with the ladies also as soon as we find where the next reunion will be to see what we can do there.

If anyone has any suggestions for the reunion please e-mail me or call. We would like to involve the ladies as much as possible in things to do at the reunion.

Well goodbye and hope to see all of you at the reunion, Sandy and I will be there to add humor to the reunion. Be safe on the drive.

From The Secretary:

This is the second Newsletter that I have put together. I would like to say that it does take some time and effort to do, but the content is mainly up to **You** the members to make it a good and informative newsletter. To date I have heard only from Linda and Jerry, The rest must be waiting for a formal invitation, so here it is. Please sent in any news that you have to share, events in your area that the members might like to attend and how they might find out more information on the event. My goal is to have a newsletter every 6 months, so you have some time before the next to put together these things. I usually start putting the information together 30 days before it is sent out, but if it is an important piece of news I most certainly would try to work it into the next one no matter when it is sent.

One thing that was commented to me when I sent out the emails asking what format you each would prefer , was that "snail mail" is not a proper term and can be looked upon buy our USPS workers, that being said I will refrain from that term in the future, instead using the proper USPS service instead. I would like to thank those that took the time and effort to correct me.

David Sweet
Secretary

I was informed that Steve Zsarko passed away Oct 2008 from cancer. I was stationed with Steve at Dyess. Rich Sweet, Steve and I left Dyess together for our tour in the PI and the 463 TAW. Steve was a Flt Eng. The last time I seen him was in CRB, RVN. I was talking to his wife Rita who some of you may know and she is doing fine and living in OR.
